TITLE : REMEDY FOR POLLINOSIS

ABSTRACT : PURPOSE: To obtain a remedy for pollinosis by mixing components extracted from Adenophora triphylla A. DC. with vitamin B<sub>1</sub>.

CONSTITUTION: Pollinosis can be readily remedied by administration of a mixture of components extracted from Adenophora triphylla A. DC. including varieties and vitamin B<sub>1</sub>. A mixture prepared by adding ethyl alcohol to the above- mentioned mixture of the components extracted from Adenophora triphylla A. DC. and vitamin B<sub>1</sub> is also useful. Drug efficiency is obtained by 2-4 times administration every day during suffering from pollinosis.
